Sent to the Engineer for enquiry and report
14/11/05

Respected Sir,

With due respect and humble submission, I the undersigned Subbachar, Archik, of Panchamukhi Anjaneya Swamy Temple beg to bring my petition to your kind consideration.

I beg to state that Mr Sitarama Rao, Chairman City Improvement Trust Board, came to backside of my Temple on 9th inst at about 10 o'clock in the morning and rushed on Parayas (the lowest caste of people) who climed up the wall and came inside the yard of the Temple and pulled on the hut which I had built for the use of the Temple meanwhile I went to the backside and asked " Chairman what reason he had to rush the Parayas inside and to get the hut pulled on regarding which I had applied to the Muzaroy Secretary who gave an Endorsement no 1369 of 12-9-05 that my application has been forwarded to the Deputy Commissioner of Disposal who gave an Endorsement no 36 Dt 14/9/05 that he would come and examine with the Chairman

And I showed the above Endorsement to him. Your honor, the Chairman without listening to me he said that he would not care for the Deputy Commissioner and the Muzroy Secretary and he took the above Endorsements and tore them off, and asked his peon to hush me off and I persisted for the return of Endorsements, the chairman, asked me to come to his office in the afternoon, when I went, he joined the torn pieces and gave it to me Your honor may examine this.

Your honor, I beg to state that the hut is in the limit of the Temple and it is in no way hindrance to the public, municipality, and the City Improvement Trust Board And the said temple belongs to the Muzaroy Department but the Chairman has no rights to interfere with the matter But he has done at the instigation of Subramanya Lal Sahukar, the owner of the next house to the temple His Subramanya Lal has kept four windows to the wall connected to the temple unusually the windo were not before but they were kept in my minority So your honor, the windows must be taken off.

Your honor, Chairman has caused the temple polluted as he rushed on Parayas inside with force and I am permitted to state that this trespass is against law and rules of the Govt

which the Chairman knew fully but he caused such damage at the instigation of the Said - Sahukar. Your honor, thereby the worship of the Temple has been stopped

Therefore I humbly entreat your honor to be kind enough to enquire the matter and get cost from Mr Sitaram Rao chairman, to the temple - Samprokshanam (Purified) which enables to have worship in the temple and also the cost of hut pulled on from him and thereby order the hut to rebuild as it is quite necessary for the use of temple for holy work and Nêvêdyam And lastly you will kindly order to take off the unusually-kept windows by the Said Sowcar And I with bounded duty shall ever pray to God for your long life and prosperity

I beg to remain
Respected Sir,
Your most obedient Servant

To

The Deputy Commr.,
Mysore District

Sir,

When I inspected the Sri Panchamukhi Anjaneya swami temple at Mysore in June last, it was brought to my notice that the two shops belonging to it and situated in Doddapete, had been rented out for Rs 2 3/4 and Rs 2 per mensem. I am ~~however directed to state~~ that considering their situation in the central place of trade the rent now levied ~~is~~ seems too low and to request that if you think it desirable to do so, the lease of the shops may ~~be assessed~~ to be assessed after giving due notice to the lessees, be auctioned to the

best advantage of the temple

2 It was represented to me that the Archak of the temple was thinking of covering up the open space of ground behind the temple with the well in it I am to ~~request~~ state that such a thing should not be permitted as it would interfere with the free play of light and air. ~~to be done by the Archak.~~

3. I am to observe that the inside ~~of the Anjaneya temple~~ of the temple has the appearance of a private house. I am ~~therefore~~ to request you will favor me with your proposals ~~together~~ for making some change in the front parapet wall, with an estimate ~~for improving it~~ of the cost, so as to give it the appearance of a temple.

4. The Report called for in this Office No 861 Dy 22.10.07 regarding the lands endowed ~~to the~~ temple has not yet been

received. The submission of the same should be expedited

Thanking you,

Sir,

In retransmitting herewith the petition from Subba Char, Archak of the Sri Panchamukhi Anjaneya Swami temple at Mysore, complaining that Mr. D Sitarama Row, Chairman, City Improvement Trust Board allowed Pariahs inside the temple &c, I have the honor to State that I personally inspected this with the petitioner and Chairman of the City Improvement Trust Board. The shed had been newly put

put up to the inconvinience of the neighbouring house and interfered with the light and air and was removed on Sanitary grounds. The petitioner himself took me over the premises and there was no question of defiling the temple. The shed is unnecessary and other arrangements can be made as pointed out. The petition is vexatious and frivolo
